## Chipbase offers service and convenience

THE NEWLY established Chipbase Board and Timber Supplies in Retreat offers excellent service and convenience for customers.

The business, established in May 1992, focusses on the cupboards, kitchens, shop fitting and furniture industry as well as the do-it-yourself (DIY) enthusiast.

The stock held ranges from all chipboard related products through to solid timber such as oak, pine and meranti.

Added to this is a comprehensive range of cabinet hardware as well as fibreglass sheetings, post formed tops, cupboard doors, picket fencing, dog kennels and much more.

New products are always being added and Chipbase now offers a range of joinery, including window frames, door frames and doors.

"The aim of Chipbase is to offer a comprehensive range of products, professional advice and a daily delivery service for the convenience of the customers", said member, Richard Franck. For the DIY enthusiast, Chipbase offers a cutting facility to cut boards to the sizes required.

"Our aim is to satisfy customers", said Richard.

For further information contact Richard or Tommy on 75 4480 or visit the shop in Retreat.
